International Air:

When you book your air reservations through Seven Wonders Travel, the advantages are: special fares, on scheduled flights, aboard the world's most respected airlines. The flights we offer are those whose arrival times work best with the itinerary schedule. Adam Travel—our booking partner - may be able to book your flight direct from the nearest international airport. Upgrades are based upon availability and cost at time of booking.

International tickets booked by Adam Travel, Chicago, IL, can be charged to all major credit cards. Once tickets are issued they may be non-refundable should you have to cancel the flight or need to make changes. We highly recommend trip cancellation insurance to cover this event.

Medical and Trip Cancellation Insurance:

Basic Medical Insurance and Trip Cancellation Insurance is not included in the cost of the tour but is available at a supplement. We recommend Travelex Insurance. We will send you contact information for TravelEx with your receipt for deposit. Insurance needs to be purchased within 21 days of deposit to assure that no pre-existing clauses will effect your coverage.

Baggage: Transfers are provided for two pieces of luggage when carrying luggage tags provided by Seven Wonders Travel. Check with domestic airline carriers for luggage restrictions to and from your international flight. On the dahabyia luggage storage space is tight—we recommend a large duffle bag only. Luggage can be checked at the hotel in Cairo and reclaimed upon return to Cairo.

Single Accommodations: There is very limited availability at a supplement.

Circumstances Beyond Our Control: Every effort will be made by Seven Wonders Travel and its agents and staffs to execute this itinerary as outlined. Seven Wonders Travel and its agents and staffs cannot be held responsible for changes made necessary by circumstances beyond our control. In addition, we reserve the right to make any alterations, additions, or omissions in the program when in our opinion they are necessary for the comfort and well being of the group.

Is This Tour Right For You?

- Q Active Sightseeing**—our days are filled with tours that require you to walk without assistance and stand for periods of time as the guide explains the sites. Seating is not always available. You may opt to not participate on a certain day if you are tired or you can return to the bus before the group.
- Q Early Mornings**—we rise early on the following days:
- 11 Mar 10—we will visit the Field School in Luxor—this requires climbing over recently excavated ground that is extremely uneven.
- 4 Mar —10 Mar 10 — during the sailing of the Afendina you will be climbing off gangplanks, climbing up the Nile bank, and experiencing a more adventuresome docking than on a cruise ship.
- Q Evening Private Visits**—we will have after hour visit to sites on the following days:
- 2 Mar 10 —we will visit the Egyptian Museum from 7—9 p.m. on this evening.
